Hi Ex. 6 Personal Privacy (PP)

I'm not sure where P-18-0306 lands on this, as it's been on the hair on fire list for a while now.

RAD has asked that I provide to them a preliminary list of cases that we want completed in September so that they can assign some of the prep work to their contractor. So, please provide your wish list to me today, if possible, or early next week. Please indicate for each case whether RAD: (a) "just" needs to update their reports using the latest templates, or (b) in addition to (a) first needs to complete some assessment work as well. Thanks.
